

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

BRIAN HUNT,  
Plaintiff,  
  
v.  
  
GEEKATOO, INC.,  
Defendant.

Case No. 15-cv-03313-VC

**ORDER DENYING MOTION FOR  
CLASS CERTIFICATION WITHOUT  
PREJUDICE**

Re: Dkt. No. 7

The motion for class certification is denied because the plaintiff has not served the defendant. The denial is without prejudice to re-filing the motion on a schedule that will be set at the initial case management conference (assuming the plaintiff serves the defendant).

**IT IS SO ORDERED.**
